

## TIM AWARDS - 2023/2024

This is the second year we have run the Hamersley TIM Championships.

The TIM ranks all athletes in each event as to how much they improve their PB (or how close they get). Athletes competed in a set series of events based on reduced program one. The athlete with the best TIM ranking received one point, the next best 2 points and so on. Points were tallied across all four or five events for each age group, with the athlete with the lowest points being awarded as the winner, and the next lowest as the runner up.
